Map & clues. Wild & Woody Sculpture Trail Follow the trail on the map and look out for the 15 different sculptures. Use the clues to work out what the next sculpture might be. The first sculpture can be found to the right of the start of the trail, behind the Sparrow Hawk play equipment. You can record your answers below... A flash of orange and of white, usually seen A furry family. Lord of the treetops. Master throughout the night. A brush for a tail, an of acorns! earth my underground house. Hunting for small mammals, a rat, a vole, a tasty mouse. 11 Open your wings. Agile climber active at night. Furry, beady eyes, tiny and light. Marvellous manoeuvres, dancing over water. A chaser, a darter, a hawker. 12 A brownish body bears Greenheart a white cross, a spinner of Lake Sun veil, shade sail*. silk, weaving an eight legged tapestry. Flight **Pond** Wherever I go I carry my spiral home upon my back, leaving behind a slithering, Sensory slimy, glistening track. A moonlit night reveals black and white fur stripes; careful camouflage. I have no sett Specially adapted for silent A tiny beginning of life left food, although earthworms flight. We find our food by behind on a leaf. and slugs are a delicacy. listening carefully at night. Walk through the meadow. 14 Leave only footprints. Take a peek underneath. The Environmental Education Project has been delivering sessions at Rosliston and elsewhere since 1994. We aim to: promote respect for the environment and provide a fun learning experience in all our sessions. Our work includes: school visits, Wildlife Watch drop-ins, training days, outreach work, resource development, public events, Forest School and Woodland Experiences. Please see our other leaflets or contact us for further details.

Outdoor Classrooms The wooden sculptures in our Wild and Woody trail have been created by the sculptors at Outdoor Classrooms. They only use naturally durable species to eliminate the need for chemical preservatives, and all the wood comes from sustainably managed woodlands in Yorkshire. For more information take a look at their website www.outdoorclassrooms.co.uk
